

Grant Request – scoutleadership.com

We wrote *Working the Patrol Method* to give back to Scouting – not only by rekindling B-P’s Patrol Method in 21st-century Boy Scout troops, but also by donating portions of profits from the sale of *Working the Patrol Method* to non-profit Scouting causes based on need. While self-reliance is one of Scouting’s important lessons, it can be expensive to outfit a Patrol. Are you a USA Boy Scout Troop registered in a less affluent area who could use such a helping hand? If so, we invite you to submit a written grant proposal for our consideration.
